

Dear Tony,

Back in my own small and very wet country I luckily still have much wonderful pictures that remind me of some very special days in your beautiful habitat. Thanks to you we had the chance to absorb all of it to the fullest, not having to worry about how to get to those special places you took us and the breathtaking views and very nice moments that now have a very special place in my memory bank.

Thank you for your charming drives in and around Capetown. I have enjoyed every minute of it. I am sure Michael did so too. I am sending you some of the pictures I took to put on your website. There is a very nice one of you to put in the header of your website. Next time coming to Capetown I will surely contact you and I will recommend you wholeheartedly to everyone I know.

Have a nice Christmas and a very happy 2016

Fondest regards from Holland,
Yvonne

Dear Tony

Dave and I are in the midst of trying to catch up after almost a month's absence: the price one pays [not too cruel really]. We have already talked endlessly about our final wonderful last day...made utterly delightful by your charm, your driving skills and your patience. That day will long live in our memory banks, thanks to you. We hope you and your family are well and that your winter will bring easy days and nights. It's a bit of a shock to come home to summer--with humidity I could easily live without. If I ever have the opportunity, I will recommend your services to our friends. Thank you...Edith Kodmur

Hi Tony

Just a quick note to say a HUGE thank you for the unbelievable service you provided the gents this weekend.

I am sure it was not an easy couple of nights, but they have all commented on what a great guy you are and what a professional and efficient service you run.

I will recommend you to all my friends and work colleagues in future!

Thanks again!

Kind Regards,

Heather-Leigh Petzer

Hello Tony

Thanks for looking after Joffry and Khalid last time October
They were very satisfied with your service
I hope you were satisfied as well in their appreciation towards you...

I have a new request
Our colleague Nikos Manolakos will be coming to Capetown next week (25th November morning until 29th november evening)
He needs to do the same job, so he requires again someone to drive him around in & around Capetown

Do you mind arranging this?
I have no further details at this moment, but of course I'll keep you informed as soon as everything is decided

Is your rate still 500R per 8 hours?

Thanks for your feedback

Regards
Peter

Dear Tony,

I was just about to send you a thank you note for your driving this weekend. Your service was outstanding - better than we expected. I do hope that we paid you enough to cover all the extra driving. It was a pleasure working with you and those of us who travel to Cape Town on business will certainly be calling you again and recommending you to colleagues.

Thanks again

Dear Tony,

I want to thank you very much for your exceptional service during The Robson Stag Visit to Cape Town. You were extremely accommodating, always on time and had an attitude of nothing was a problem which only made our visit more enjoyable.

I look forward to meeting with you again when I visit Cape Town with my family and will be in contact.

Meantime if any of your potential clients need a background check or a recommendation please do not hesitate to contact me.

Best Regards,

Robert Muirhead

Hi Tony,

I hope that this Email finds you well.

I was really glad you were able to see the semi final between Holland and Uruguay. I hope you enjoyed the game....I understand the weather cooled down after Peter and I left.

We were really lucky with the weather for the entire trip and we were also lucky to have you as a driver. I think we covered a lot of ground in 3 days and I will never forget the first thing we did was to go up to table mountain. With the sunset and late day cloud formation it made quite an impression...thanks to your sound advice.

We really had a great world cup experience and I hope things are not too sad in your part of the world today. I think it was very good for South Africa and I hope you will reap the benefits for years to come. I am sorry I did not get a chance to see you the day we left. Ivan was very nice..thank you for arranging that.

Now we are back in Montreal where it is very hot. I was a little disappointed with the final. The English referee was terrible and he really slowed the game down. Too many players were faking their diving..I really don't like that. Seeing Ghana lose in Johannesburg 2 weeks ago was really tough...but at least we saw one of the best games of the tournament!!

Tony it was great to meet you...I am serious when I say if I ever come back with the family...I will use your services. I have attached a reference letter and a photo for your files.

Take care Tony!!

Tony drove a group of 7 friends and myself on a tour of Boulder's Beach, Chapman's Peak Drive, Cape of Good Hope, Cape Point, a whale watching site, and an ostrich farm. He was like a personal tour guide – he explained the sites as we drove along the path and was very knowledgeable about the area. Also, he was very agreeable and willing to take us anywhere that we pleased. Tony's tour cost far less than any guided tour or even an Uber would cost, and it was an extremely enjoyable experience. I recommended Tony to some friends, and they had an incredible experience, as well. I'm so thankful that I found Tony through a Google search, as his tour of Cape Point was one of my favorite memories from my trip in Cape Town!

Sincerely, Brittany Levy

Hi Tony, we want to thank you again for giving us a great last day in South Africa. We did everything we wanted to do especially the Penguins!. Yeah we were a bit disappointed not to go up in the cable car but we had a nice morning we walked around to the company's Garden and got ready to go home. The flight home went well. We once again appreciate your patience with us and your hospitality. It made our trip very special.

Thanks for everything, Suzanne and Tom
